Research Laboratory of Electronics

Quarterly Progress Report

October 15, 1947

Submitted by J A Stratton
A G Hill
J B Wiesner

Introduction

This report is the seventh of a series of quarterly progress reports issued by the Research Laboratory of Electronics, and contains a review of the activities of the Laboratory during the period, July 1, 1947 through September 1, 1947. It is a preliminary report of current progress, and no results should be considered as final. A few of the projects have been omitted on account of vacation schedules.
