

24.118 – Paradox and Infinity
Problem Set 6: Newcomb's Puzzle

How this problem set will be graded:

- Assessment will be based both on the basis of the reasons you give in support of your answers and on the answers themselves.
- *No answer may consist of more than 110 words.* Longer answers will not be given credit.

Problems:

Answer the questions in each of the following footnotes from chapter 3 of Sainsbury's *Paradoxes*:

1, 2, 7, 9, 13
